VKA is run by volunteers. Because the membership is comprised mostly of vintage racers, we not only have drivers and mechanics with a lifetime of experience on the track, we are in the unique position of having access to a vast and varied "knowledge base." Don't let it go to waste! VKA is always looking for volunteers at the track, but also to manage, organize and run the organization. Please take a moment and indicate below what "life experience" or general interest you have:

Computers (Identify area: typing, website management, programming, spreadsheets, etc.)

Finance/Accounting/Taxes

Management/Supervision
