SPECIAL

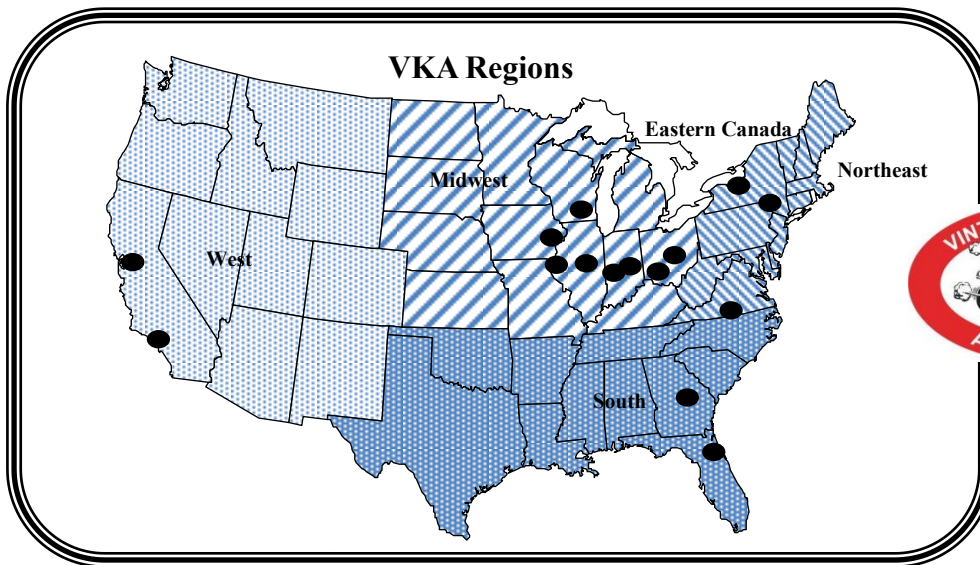

Newsletter

Editor – Rolf Hill

www.VKAkarting.com

FIRST TURN

INCLUDED IN THIS ISSUE: 2013 NATIONAL EVENT SCHEDULE.

EDITOR'S NOTE

Welcome to the New Year and the First Edition of the NEW **VKA FirstTurn Newsletter**. I guess the Mayan's didn't quite have it right. Whew! So, we now face many changes this year; VKA Board Members; VKA Guidelines for Stock Appearing and Over-60; and others. New or "old" Members are needed to help with the management, organization and operation of VKA. PLEASE talk to a Board Member if you are interested. We would like to hear from YOU about articles, Member Histories, *etc.* for the VKA Publications, too.

This is a **SPECIAL VKA Newsletter**, combining this month's **FirstTurn** edition with the *National Event Schedule* that is sent to all Members and many other people as a way of promoting Membership in VKA (see p.8). Non-members do not normally receive any of the VKA Publications, so this **SPECIAL VKA Newsletter** is a way of enticing them to join. As members, you can help promote membership by telling non-members of all the great technical articles, personal interest articles, VKA Event Summaries and general information in each edition. Another example is on the VKA Website for all to see. What everyone will see in this **SPECIAL VKA Newsletter** is all the 2013 VKA Event locations together with Event-specific information. For the most current Event information and registration requirements, check the VKA web site.

Although Dick Teal has "retired" from the Board and as Editor, he said he is still willing to help with the *VKA Magazine/Newsletter*. Hopefully, the "change" will be seamless and "un-noticeable." Thanks, Dick, for all your help (in the past **AND** in the future ... I can't do it alone!)

NOVEMBER BOARD MEETING SUMMARY

Applications for Board Members were discussed. All but three current Board Members volunteered to continue. Event Dates for 2013 were discussed. (See attached 2013 Event Schedule.) A "Tour Committee" was established to investigate the pros and cons of identifying VKA Events as "Tour Events" or "Regional Events." Bill McCornack provided statistics for 2012 Events. (See 2012 Stats below.) Current Membership remains at 290, however, this is the time of year most membership are renewed. The Guidelines Committee met to discuss a proposal to add a "Stock Appearing" class. (See **2013 CLASS GUIDELINES**, below. A full definition is expected to be posted on the VKA website when it is available.) A "Fund Raiser" was discussed; a **2013 VKA Wall Calendar** that would include select, full color event photographs, all the VKA Event Dates, Holidays and other important dates. (See ad on p.3, below.) A "Membership Committee" was established to discuss other fund-raising options including Life Time Memberships and the reserving of VKA "user names." Balance as of 11/30/12 = \$8,328.01.

2012 EVENT STATISTICS RECAP
