

2019 Vintage Karting Race at Bushnell Motorsports Park

January 24-26 - *Vintage Kart Race, Kart Show, Mechanics Race & Evening Supper*

Bushnell Motorsports Park welcomes the Vintage Karting Association to our facility for a weekend of fun, racing, and bench racing! We had a great time last year as everyone raced on our 2/3 mile sprint track with the bridge, underpass, combination corners and the banked turn before the back straight away.

This will be our third year hosting the Vintage Karting Association. Remember, since Year 1, we have updated our facility and now have an updated pit area, with bathrooms, showers, a registration area, and a scoring tower. We also have a frozen yogurt shop on the facility too!

The Microtel is the closest hotel to the track, less than a mile away. You are welcome to camp/RV on site as long as you are self-sufficient. We do not have any RV hookups. All pit spots are first come first serve, and FREE. Spectators are welcome to watch outside of the pit area free of charge (pit pass = \$10 per day). All classes, formats, time schedules and awards are subject to change.

We look forward to seeing you at the track!

-Bil, Bret and Rebecca Spaude
